

St. Peter's Lambs Summer Day Camp

Flock of 2019

St. Peter's Lambs is a half-day camp especially designed for preschoolers through rising kindergartners. A summer program offered by St. Peter's Preschool, Lambs Camp is developmentally appropriate and size-limited, so that young children can feel comfortable and cared about as they play and create in a unique country setting just minutes off the Main Line between Malvern and Phoenixville.

St. Peter's Camp allows for schedule flexibility for busy families! Weeks are offered in five sessions, with 3-, 4-, or 5-day options available. St. Peter's Lambs provides pure fun for children; including lots of outdoor play with indoor air-conditioned play (when needed), arts and crafts, water play, stories, and music.

Sessions

- 1 - Off to the Beach (6/3-6/7)
- 2 - Animal Party (6/10 - 6/14)

- Little Lambs are children with birthdays between Sept. 1, 2013, and about Mar. 31, 2017, WHO ALSO either are siblings of older campers, have friends who will be at camp with them, or are enrolled at St. Peter's for 2019-2020. These requirements are intended to ensure that our littlest campers can feel comfortable quickly. Little Lambs need not be toilet trained. All children enrolled in St. Peter's 2 ½-year-olds' class for 2019-2020 are eligible to come to camp!

About the Little Lambs Program

Because St. Peter's Lambs may be a first out-of-home experience for some of our Little Lambs, we want to make sure that they can have a good time right from the start. No more than 8 children will be registered as Little Lambs in any session, regardless of the number of days for which each child has registered.

No more than 12 Lambs and 8 Little Lambs may register for any session. Lambs adult:child ratio is 1:6. Little Lambs adult:child ratio is 1:4. At least 2 adults are with children at all times, with more adults as needed to meet these ratios.
